LoveGreen Meeting Package

Hong Kong Convention and Exhibition Centre (Management) Limited understands the environment is for us to protect. From building design to daily operations, we are committed to reduce, reuse and recycle through a series of green initiatives designed to minimize the impact on our environment. We are proud to reach a significant milestone in our sustainability efforts in November 2015 by becoming the first organisation in Hong Kong to receive the **ISO 20121 Event Sustainability Management System certificate**.

We are fully devoted to building a sustainable future in partnership with our business associates and providing the **LoveGreen Meeting Package** to meet your corporate responsibility goals.

We provide –

- Full-day and half-day meeting packages from HK\$480 to HK\$825 plus 10% service charges
- Eco-friendly lunch menus with sustainable and hydroponic ingredients
- Coffee and tea breaks with light and low carbon refreshments
- Non-packaged mint drops placed on meeting tables (not available for theatre set-up)
- Water service, notepad and stationery to be placed in specific station
- Recycle bins outside meeting rooms
- Green meeting suggestions offered by our Event Managers

We encourage –

- Room temperature at 25°C
- The use of natural sunlight as most of our meeting rooms are built by full height glass panel
- The use of whiteboard instead of flipchart

We collaborate –

- Unconsumed food can be donated to selected social welfare organisations in Hong Kong
